Dear Professor Coombs

PROPOSAL FOR FUNDING – OPERATION OF THE THREE NATIONAL SEPSIS OUTCOME PROGRAMS – JULY 2021 TO JUNE 2024

Thank you for your proposal of 25 May 2021 regarding funding for operating the three national Sepsis Outcome Programs: Australian Staphylococcal Sepsis Outcome Program (ASSOP); Australian Enterococcal Sepsis Outcome Program (AESOP); and Gram-negative Sepsis Outcome Program (GNSOP) from 1 July 2021 to 30 June 2024.

After careful evaluation of your quote, particularly in terms of the value for money it represents, I am pleased to inform you that your quote has been accepted.

An electronic copy of the proposed Contract is enclosed for your review. Please sign and return an electronic copy of the Contract if you are satisfied it accurately reflects your submission. I also request that you complete and sign Items 1 and 4 in the Schedule of the attached Confidentiality and Conflict Deed and return it with your signed contract. I will arrange for the Contract to be countersigned and for an electronic copy to be returned to you for your records.

If you have any queries or concerns relating to the proposed Contract prior to signing, please contact Clare Jones on (02) 6289 2904 or clare.jones@health.gov.au.

Details of the Contract will be posted on the AusTender website after signing by both parties.

Yours sincerely

Dr Jennie Hood
A/g Assistant Secretary
Communicable Diseases Branch
