Good Afternoon,

Insured: Australian Society for Antimicrobials

Expiry Date: 4pm, 01 July 2022

Aon Ref No: AONPRM1BMZN

We are writing to advise you that your current Community Organisation Insurance Program will expire on **01 July 2022** at **4pm**.

We thank you for choosing Aon to manage your insurance renewal. We are in the process of negotiating renewal terms with your respective Insurer/s and will be in contact with you should we require any additional information. In the interim we ask that you please consider the following:

Changes of circumstances

It's important that you advise us of any changes to your business or circumstances (including income, change location and nature of business activities) so that we can take the necessary steps to make sure that you are adequately insured. A failure to advise the insurer of such changes may prejudice your cover. Please note that if we do not hear from you, we will proceed to arrange the renewal of your Insurance Program for a further twelve (12) month period based on your current information.

Revenue

Has your revenue changed by more than 20%?

Claims

Are there any circumstances or claims that have not already been notified to the insurers which may give rise to a claim against your organisation or any of its employees or volunteers?

Please contact your broker immediately if:

- The answer to either of the above is **yes**
- You need to change sums insured, vehicle details, volunteer numbers or contact details
- You wish to add a new Policy to your Program

- You require a renewal declaration/proposal
- You have any questions or doubts
- You do not wish to renew your Program
